

The Florida State University  
**Florida Future Educators of America**

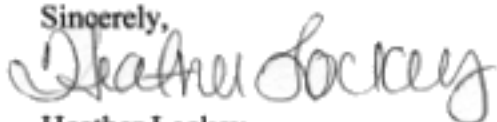

Dear Prospective Member:

Thank you for your interest in FFEA. We are an organization of future educators that is dedicated to promoting the field of education throughout this university and the surrounding community. We do this by participating in campus-wide events, community service, tutoring at local schools, as well as other activities. We also come together in order to meet fellow peers and to communicate information and ideas between education majors. Some of our past accomplishments include Organization of the Year in 1997, commendation on our Help the Homeless Drive, among others. We have also worked with Habitat for Humanity the past two years.

We hold meetings bi-weekly at 6:45 pm on Mondays in the Stone Building. Our first meeting for the Spring semester is on January 10. Dues are \$15 to help cover the costs of some of our activities such as refreshments and snacks at the meetings, and banquets, etc. In order to have a successful organization, we must have a dedicated and committed group of members. To achieve this, we ask that members attain at least 30 points to be considered active members. We have worked out the point system so that you can attend 75% of meetings and participate in 3 or 4 events and earn that status. If you do not earn 30 points, another \$15 will have to be paid the following semester.

We hope that you will join our organization and get more involved in education as well as on campus. This is a great way to get to know others who have similar interests as well as find leadership opportunities to take advantage of on campus. It's also a great way to meet upperclassmen that have already been through some of the courses that you will be taking in your respective majors. If you have any questions, contact me and/or come to one of our meetings and see what we're all about.

Sincerely,

Heather Lockey
