Deutsche Gedichte

(German Poetry)

GLEICH UND GLEICH

Ein Blumenglöckchen
Vom Boden hervor
War früh gesprosset
In lieblichem Flor ;
Da kam ein Bienchen
Und naschte fein: -
Die müssen wohl beide
Für einander sein.

(Johann Wolfgang von Goethe)

All the Same

A little bluebell
Sprouted early
In lovely flower
From the ground ;
Then came a little bee
And nibbled a bit :-
Both must truly be
Made one for the other.
