GRADUATE CONFERENCE AND RESEARCH TRAVEL SUPPORT: FRENCH

AIM: The purpose of these awards is to assist graduate students majoring in French in presenting papers at conferences and in other forms of travel contributing to their research or professional development, such as library or archival research, the conducting of interviews or attendance at courses benefiting the student's research. Graduates who attend the MLA for job interviews in December may apply in the following February for support in respect of this. In all other cases, applications must be for travel in the current or next semester. Applications may be made while awaiting acceptance of a conference paper proposal; if funding is awarded, this will be conditional upon receipt of documentation showing acceptance of your paper for inclusion in the conference program. Applicants requesting funding in respect of MLA interviews the previous December may also apply for conference presentation support in the spring or summer semester.

DEADLINE FOR RECEIPT OF APPLICATIONS:

October 3: for Fall and Spring semester travel

February 5: for Spring and Summer semester travel and for attendance at the MLA for job interviews the previous December.

AWARD AMOUNTS: The grant awards will not normally exceed \$500 for regional conferences or attendance at the MLA for job interviews, \$1,000 for national and international conferences or \$2,000 for overseas research or course attendance. Lower limits may be set if required by pressure on funding. Applications to support the presentation of papers at conferences mainly featuring established scholars will be accorded higher priority than applications to participate in conferences consisting mainly or exclusively of graduate presentations.

REIMBURSEMENT: On completion of travel, original travel receipts (including boarding passes for air travel) must be submitted to Wendy Pigott for reimbursement. Only travel items such as airline tickets and boarding passes, gas, lodging, conference registration, food, etc., will be reimbursed. Course tuition fees are not covered by the award.
