

2008 Champion Beyond the Game Honoree
Hosted by Seminole Boosters
September 21, 2008

Cindy Schofield came to Florida State University from Lakeland as the all-time leading goal scorer in Florida high school history for women's soccer. During her four year rein as forward for the Seminoles she became the most prolific offensive player in Florida State University's NCAA Tournament history having achieved the all-time record for goals, points, assists, shots and game-winning goals. During her inaugural season Cindy led all freshmen in goals and points and tied for first among freshmen in game appearances with eighteen. Her determination and hard work continued and in 2001 Cindy was at the peak of her college career having scored 17 goals, racked up 42 points and achieved records and awards that no other FSU player had ever won. Cindy accredited her success to the confidence she gained and to the supporting cast of the Seminole Women's Soccer Team. Cindy Schofield became the single most recognized athlete in program history and put a face on a team that was in the middle of rising to national prominence. She was named a first team All ACC selection and was also named an honorable mention All-American Athlete. After having received her bachelor's and master's degree in **Sport Management** Cindy graduated from Florida State University and continued her career in soccer as a coach. Cindy has continued to use her talent through coaching and training positions with the HC United Youth Soccer Club, youth recreational programs and numerous soccer camps. In 2005 Cindy Schofield became a staff coach for the Olympic Development Program for the Florida Youth Soccer Association and is currently the assistant Varsity Girls Soccer Coach for the Tampa Preparatory School which won the 2008 Florida High School 2A State Championship.
